

# Must have Browser extensions

*on August 24, 2019*

We all use chrome as our daily web browse tool. There are so many useful browser extension which can make your life easier.

## **Fireshot**

This extension store the web page as jpg or pdf. You can make whole web page as a picture.

## **Team sync**

This extension is my favorite one. This will be help you to share

bookmarks among your friends. Upto 4 people it is free.

### **Ublock origin**

Ublock origin is best ad blocker which not only blocks the ads but also enhances your web browser performance.

<https://chrome.google.com/webstore/detail/ublock-origin/cjpalhdlnbpafiamejdnhcphjbkeiagm>

### **ImTranslator**

Easy and fast translator which can be used to quick search word meaning.

<https://chrome.google.com/webstore/detail/imtranslator-translator-d/noaijdpnepcgjemiklgfkcfbkokogabh>

### **Fatkun batch image downloader**

This extension is really helpful when you want to download so many images. You can simply search image on google search and use this extension to download all image.
