

Must have Browser extensions

on August 24, 2019

We all use chrome as our daily web browse tool. There are so many useful browser extension which can make your life easier.

Fireshot

This extension store the web page as jpg or pdf. You can make whole web page as a picture.

Team sync

This extension is my favorite one. This will be help you to share

Ublock origin

Ublock origin is best ad blocker which not only blocks the ads but also enhances your web browser performance.
