Hey everyone,

Some students of the Civil branch from 2K15 **(Prem raj 15-C-11, Gaurav 15-C-51, Nitish 15-C-55, Rohit ranjan 15-C-48)** batch drew a map of our campus. In the map, they showed every building and areas which proposed for other buildings. Please appreciate their efforts.

I would like to share any kind of creative things with us. If you have something in your mind and want it to share with LNJPITians. Please mail me at lnjpitworld@gmail.com
